(Intro:)

C I can see a new expression on my face

I can **F** hear the guitars play-**G**-ing lovely **C** tunes **Am**
F Every **C** time that **G** you walk in the **C** room

C I close my eyes for a second and pretend it's me you want
Meanwhile I try to act so noncha-**G**-lant
I see a **F** summer's night **G** with a magic **C** moon **Am**
F Every **C** time that **G** you walk in the **C** room

(Bridge)

F Maybe it's a **G** dream come true
F Walking right along **G** side of you
C Wish I could tell you how **Am** much I care
But **D** I only have the nerve to **G** stare

I can **C** feel something pounding in my brain
Just anytime that someone speaks your **G** name
F Trumpets sound and **G** I hear thunder **C** boom **Am**
F Every **C** time that **G7** you walk in the **C** room

(Outro:)

F Every **C** time that **G** you walk in the **C** room
